

Privacy Policy

Last updated: September 15th, 2021

This Privacy Policy describes Our policies and procedures on the collection, use and disclosure of Your information when You use the Service and tells You about Your privacy rights and how the law protects You.

Your Personal data are used to provide and improve the Service. By using the Service, You agree to the collection and use of information in accordance with this Privacy Policy.

Interpretation and Definitions

Interpretation

The words of which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in singular or in plural.

Definitions

For the purposes of this Privacy Policy:

- **Application** means the software program provided by the Company downloaded by You on any electronic device, named Ojas
- **Device** means any device that can access the Service such as a computer, a cellphone or a digital tablet.
- **Personal Data** is any information that relates to an identified or identifiable individual.
- **Service** refers to the Application.
- **Service Provider** refers to third-party companies or individuals employed to facilitate the Service, to perform services related to the Service or to assist in

analyzing how the Service is used.

- **Usage Data** refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).
- **You** means the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data

Types of Data Collected

Personal Data

While using this Service You may be required to provide Personally identifiable information required by Service Provider and may include, but is not limited to:

- Usage Data

Usage Data

Usage Data is collected automatically when using the Service.

Usage Data may include information such as Your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When You access the Service by or through a mobile device, certain information may be collected automatically, including, but not limited to, the type of mobile device You use, Your mobile device unique ID, the IP address of Your mobile device, Your mobile operating system, the type of mobile Internet browser You use, unique device identifiers and other diagnostic data.

The information that Your browser sends whenever You visit our Service or when You access the Service by or through a mobile device may be collected.

Use of Your Personal Data

Personal Data can be used for the following purposes:

- **To provide and maintain our Service,** including to monitor the usage of our Service.
- **To contact You:** To contact You by email, telephone calls, SMS, or other equivalent forms of electronic communication, such as a mobile application's push notifications regarding updates or informative communications related to the functionalities, products or contracted services, including the security updates, when necessary or reasonable for their implementation.
- **To provide You** with news, special offers and general information about other goods, services and events which are similar to those that you have already purchased or enquired about unless You have opted not to receive such information.
- **To manage Your requests:** To attend and manage Your requests.
- **For business transfers:** Your information may be used to evaluate or conduct a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which Personal Data held by Us about our Service users is among the assets transferred.
- **For other purposes:** Your information may be used for other purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns and to evaluate and improve our Service, products,

services, marketing and your experience.

Your personal information may be shared in the following situations:

- **With Service Providers:** Your personal information may be shared with Service Providers to monitor and analyze the use of our Service, to contact You.
- **For business transfers:** Your personal information may be shared or transferred in connection with, or during negotiations of, any merger, sale of Company assets, financing, or acquisition of all or a portion of Our business to another company.
- **With Affiliates:** Your information may be shared with affiliates, in which case will be required those affiliates to honor this Privacy Policy.
- **With business partners:** Your information may be shared with business partners to offer You certain products, services or promotions.
- **With other users:** when You share personal information or otherwise interact in the public areas with other users, such information may be viewed by all users and may be publicly distributed outside.
- **With Your consent:** Your personal information may be disclosed for any other purpose with Your consent.

Retention of Your Personal Data

Your Personal Data will be retained only for as long as is necessary for the purposes set out in this Privacy Policy. Your Personal Data will be retained and used to the extent necessary to comply with legal obligations (for example, if required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

Usage Data will also be retained for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of the Service, or if legally obligated to retain this data for longer time periods.

Transfer of Your Personal Data

Your information, including Personal Data, is processed at the operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.

Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.

All steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy will be taken, and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.

Disclosure of Your Personal Data

Business Transactions

In case of a merger, acquisition or asset sale, Your Personal Data may be transferred. We will provide notice before Your Personal Data is transferred and becomes subject to a different Privacy Policy.

Law enforcement

Under certain circumstances, may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Other legal requirements

Your Personal Data may be disclosed in the good faith belief that such action is necessary to:

- Comply with a legal obligation
- Protect and defend our rights or property
- Prevent or investigate possible wrongdoing in connection with the Service
- Protect the personal safety of Users of the Service or the public
- Protect against legal liability

Security of Your Personal Data

The security of Your Personal Data is important, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While using commercially acceptable means to protect Your Personal Data, its absolute security cannot be guaranteed.

Children's Privacy

The Service does not address anyone under the age of 13. Personally identifiable information, from anyone under the age of 13, is not knowingly collected. If You are a parent or guardian and You are aware that Your child has provided with Personal Data, please get in contact. If noticed that Personal Data from anyone under the age of 13 without verification of parental consent have collected, all necessary steps to remove that information from servers will be taken.

If needed to rely on consent as a legal basis for processing Your information and Your country requires consent from a parent, may be required Your parent's consent before collect and use that information.

Links to Other Websites

The Service may contain links to other websites that are operated by third party. If You click on a third party link, You will be directed to that third party's site. You are strongly advised to review the Privacy Policy of every site You visit.

There is no control over and is assumed no responsibility for the content, privacy policies or practices of any third party sites or services.

Changes to this Privacy Policy

This Privacy Policy can be updated from time to time. You will be notified of any changes by posting the new Privacy Policy on this page.

You will know via email and/or a prominent notice on the Service, prior to the change becoming effective and update the "Last updated" date at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
